**Sponsor Form**

\*\*\*\*\*  
This road race is a benefit in memory of Devin Kravitz, who died suddenly from a rare heart disease. He died in his sleep from cardiac arrest due to Myocarditis, a heart condition of a viral origin, on October 25, 2006. Devin was an enthusiastic, outgoing 22-year-old Leicester resident. He left behind his family, including his son Austin Devin Kravitz, born May 30, 2007 who he never got to meet. Devin was very excited about becoming a father.

**FACT: 5 to 20% of all cases of sudden death in children and young adults are attributed to Myocarditis**

Please join us in trying to make sure more young people are not taken by this rare disease.

**All net proceeds of the race will go to the American Heart Association, specifically for research to try to reduce death caused by Myocarditis.**
